

# ANDRÉ ROSA

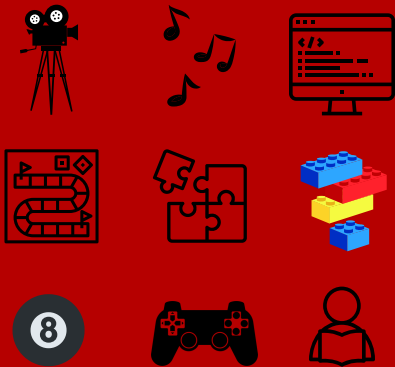

## JUNIOR FULLSTACK DEVELOPER

### ABOUT ME

I enjoy hands-on, creative work and now that I have the programming bug my apps will always have some flair. Proficient in Adobe Premiere, Photoshop, and After Effects. Proficient in Microsoft Office Suite. I was an English tutor for 2 years. I am skilful in the Piano and flute, the first was a self-taught skill, and the latter was acquired thanks to an online course.
